

Jonas Emil Gehrke

Computer Science student at KEA, Copenhagen

Aspiring web developer with special interest in frontend JavaScript, react.js and TypeScript. I enjoy being part of full stack projects, both frontend and backend development. Hobby projects keep me engaged for long coding-sessions and allow me to learn a lot in my spare time. This originates from my belief in lifelong learning and exploring.

INFO

Name
Jonas Emil Gehrke

Birthday
07.08.1998

Nationality
Danish

EXPERIENCE

Feb. 2022 - present

Tutor at KEA - Københavns Erhvervsakademi, Copenhagen

Tutoring Computer Science students on KEA. I mainly help with coding problems in Java, HTML, CSS, JavaScript, C# and Python. However, I also assist in cloud computing platforms such as AWS & Azure.

Jul. 2018 - Aug. 2019 (1 year 2 months)

Uneducated Care worker at Værdig pleje, Fredensborg

While employed at Værdig Pleje, I learned about contact with the citizens, general communication and planning an otherwise tight schedule.

Aug. 2016 - Aug. 2018 (2 years 2 month)

1. assistant in Netto, Salling Group, Espergærde

While employed at Netto, I learned how to be a responsible leader. Training employees, planning tasks, and working together as a team.

EDUCATION

2020 - 2023

KEA - Københavns Erhvervsakademi

Computer Science

2019 - 2020

DTU – Technical University of Denmark

IT-Electronics

REPRESENTED SKILLS
